

Notice of Public Hearing

A Public Hearing will be held by the Duval County Groundwater Conservation District 6:00 pm on Wednesday, December 29, 2021, at the District Office, 231 E. Railroad Street, Benavides, Texas.

This Public Hearing will be to consider the Ramirez Common School District Water Well Application to drill a non-exempt water well. The following information is provided pursuant to the District's Rules:

1. Applicant: Ramirez Common School District
2. Address and approximate location: Southeast of Tex. Hwy 339 and Ramirez Street, Realitos, Texas. Coordinates 27.204356 latitude and - 98.243937 longitude.
3. General description: A production permit for 1 commercial non-exempt water well located on 2.190 acres of the Applicant's property, in Duval County, to produce water from this well in the maximum amount of 26,280,000 gallons (29,457 acre-ft) per annum, having 6" diameter casing and well depth of 550 ft.
4. The Applicant seeks authority to produce water for commercial and industrial use within boundaries of the District. This completed well is in the Gulf Coast aquifer. Production from the well would be managed in a manner designed to minimize any interference with any neighboring wells completed in the same aquifer.

Any interested person may appear at the Public Hearing and be heard on the Application.
