Re: Groundwater Management Plan Approval
Duval County Groundwater Conservation District

Dear Mr. Pena:

Following review of Duval County Groundwater Conservation District groundwater management plan, as authorized by TWC §36.1072(a), Texas Water Development Board (TWDB) staff found the management plan to be administratively complete. The TWDB Executive Administrator approved the plan on December 14, 2017.

If you have any questions or concerns, please contact me at stephen.allen@twdb.texas.gov (512-463-7317).

Sincerely,

Stephen Allen, Geoscientist
